

Louisville, KY (May 28, 2009) - The Department of Highways District 5 Office announces the Milton-Madison Bridge, which carries US 421 across the Ohio River from Milton, KY to Madison, IN, will be reduced to one lane on Friday, May 29, 2009 from 10:00 a.m. until 2:00 p.m. This lane closure will allow avian biologists from the Department of Fish and Wildlife to check the peregrine falcon nesting boxes located on the piers of the bridge.

The actual starting date and duration of this work may be adjusted if inclement weather or other unforeseen delays occur.
