### **Milton-Madison Bridge reduced to one lane December 20th**

LOUISVILLE, KY (December 9, 2011) — The Milton-Madison Bridge, which carries US 421 across the Ohio River from Milton, KY to Madison, IN, will be reduced to one lane on Tuesday, December 20th from 9:30 a.m. until 3:00 p.m. Engineers from the Kentucky Transportation Cabinet (KYTC) will be monitoring items on the bridge that were highlighted in the 2009 in-depth inspection.

In 2010, the Cabinet implemented an in-house 2 month inspection frequency to review these locations and make sure repairs are not warranted. The goal is to keep the Milton-Madison Bridge operational during the super-structure replacement project.

The lane closure is subject to change due to inclement weather and other unforeseen delays. Dial 511 or log on to [511.ky.gov](http://511.ky.gov) for the latest in traffic and travel information in the Commonwealth of Kentucky. You can also get traffic information for the District 5 counties at [www.facebook.com/KYTCDistrict5](http://www.facebook.com/KYTCDistrict5).
